OPINION AND ORDER

David W. Nail, a *pro se* prisoner, filed a motion to amend his complaint and a motion to stay pursuant to the court's April 9, 2007 order. Because the court will need to re-screen Mr. Nail's proposed amended complaint, his motion to stay this case pending re-screening (docket # 93) is **GRANTED**. This case is **STAYED** until further notice from the court.

SO ORDERED on May 21, 2007.
